PASTOR'S ANNUAL SELF-EVALUATION – 2009
WESTERN NORTH CAROLINA ANNUAL CONFERENCE

NAME: _____ CHARGE: _____

PURPOSE OF EVALUATION: To enhance your ministry and increase the effectiveness of your church's ministry. To enable you to build on your strengths, to recognize areas where you need to improve or grow, and to give you guidance in setting goals for personal and professional growth.

EVALUATION PROCEDURE: During the period designated by the superintendent, you should take the initiative in arranging for an evaluation interview with the Pastor (Staff) Parish Relations Committee. Talk with the chairperson and together decide on the process to use. You may want to give the committee some time alone for discussion, but you should also have time with the full committee to hear their views and to discuss them together. Following the committee interview, fill out this form and return it to the district superintendent by the time requested.
