

X. HISTORICAL MATERIAL

A. HISTORICAL SKETCH

The Western North Carolina Conference shall include all North Carolina west of the North Carolina Conference, except Savannah Church, in Alleghany County, North Carolina; and also that part of North Carolina lying north of the New River, and including that part of Virginia lying south of that river in the loop in Grayson County, Virginia; including all the territory in Carroll and Patrick Counties, Virginia, south of the crest of the Blue Ridge, and west of the Dan River. (*Discipline*, 1948, ¶ 1957)

This territory is identical with that of the Western North Carolina Conference of the former Methodist Episcopal Church, South. All three branches of Methodism forming The Methodist Church were included in this new conference. From the Blue Ridge-Atlantic Conference of the former Methodist Episcopal Church came 39 ministers and 11,901 church members. The North Carolina Conference of the former Methodist Protestant Church contributed 74 ministers and 22,361 church members. The Western North Carolina Conference of the former Methodist Episcopal Church, South, added 377 ministers and 167,028 church members. This gave the new conference 490 members, with 28 others on trial, and 201,290 church members. The Blue Ridge-Atlantic Conference has held 62 sessions; the North Carolina Conference of the Methodist Protestant Church, 112; and the Western North Carolina, 50 (see *Journal*, 1939, pp. 115, 169).

The Western North Carolina Conference of The United Methodist Church was formed on June 5, 1968, by the merger of the Western North Carolina Conference and that portion of the North Carolina-Virginia Conference situated within the bounds of the Western North Carolina Conference (see *Journal*, 1968, p. 84). The North Carolina-Virginia Conference had been organized in Greensboro on August 11, 1964, and, in addition to the organizational session, held four sessions prior to the 1968 merger.
