Please indicate the amount of your intended support next to the projects you wish to support in 2010. If you do not have a specified amount planned or intend to receive a special offering for a project, please indicate by placing " TBD" (to be determined) on the line next to it where you would have specified the amount.

Every church is urged to prayerfully and seriously consider ADVANCE MISSION SPECIALS for second mile giving in 2010. 100% of each gift to a designated mission special goes directly to the cause or person for whom the gift is sent. Through the ADVANCE, we become partners in mission with persons in other countries, throughout our nation and here in our conference.
